2018 Employee Open Enrollment Guide

If you are enrolled in Medicare or will become eligible to enroll in Medicare during 2018, a Federal law gives you more choices about your prescription drug coverage. Please see page 15 for more details.

The information and descriptions in this Enrollment Guide are intended to be a summary of available benefits so you can consider alternatives suitable to your personal circumstances and requirements.

For plans governed by ERISA, this 2018 Open Enrollment Guide is a Summary of Material Modifications to the LLNS Health and Welfare Benefit Plan for Employees (July 2017). LLNS reserves the right to amend or discontinue any benefit plan at any time. If there is a conflict between this Summary and the terms of the Plan document, the Plan document will govern.

ENROLLING IN OR CHANGING YOUR BENEFIT ELECTIONS

Open Enrollment is the only time during the calendar year when you can make changes to your medical, dental, or vision coverage, enroll/re-enroll in the HCRA and/or DCRA plans, unless you experience a Qualifying Life Event.

Actions You Can Take During Open Enrollment

- Change to a different medical plan
- Change to a different dental plan (California residents only)
- Opt out of your medical, dental, vision and/or legal plan; or enroll in a plan if you previously opted out
- Enroll eligible family members in your health plans
- Cancel health plan coverage for currently enrolled family members
- Enroll in or change life insurance
- Enroll or re-enroll in the Health Care Reimbursement Account (HCRA)—if currently enrolled, you must re-enroll for 2018 to continue contributing
- Enroll or re-enroll in the Dependent Care Reimbursement Account (DCRA)—if currently enrolled, you must re-enroll for 2018 to continue contributing

Actions Permitted Outside Open Enrollment (Qualifying Life Event)

You are allowed to change your benefit elections outside of Open Enrollment if certain events occur and if you make the change within 31 days of the event. Generally, the event must affect eligibility and the election change must be on account of and correspond with the event. In compliance with Section 125 of the IRS Code, medical, dental, vision, and spending account plan elections may be changed during the calendar year only if you have a Qualifying Life Event. Such events include:

- a change in your legal marital status, including marriage, divorce, death of your spouse, domestic or civil union partner, legal separation, or annulment;
- a change in the number of your tax dependents including through birth, adoption, placement for adoption, or death;
- termination or commencement of employment by you, your spouse, domestic partner, or dependent;
- an event that changes your, your spouse's, or your other dependent's employment status that results in gaining or losing eligibility for coverage;
- your dependent's ability or inability to satisfy dependent eligibility requirements;
- a change in residence or work site by you, your spouse, domestic or civil union partner, or dependent that causes a loss of access to providers in your HMO plan's network.

PLEASE NOTE: If you do not notify the Benefits Office within 31 days of the event, you will not be able to add a dependent or make any other coverage changes until the next Open Enrollment Period, with benefit changes effective the following January 1.

Disability and life insurance coverage can be changed at any time during the year. At any time, if you want to enroll in or increase your disability coverage or your life insurance coverage, you must submit a Statement of Health to the applicable insurance carrier. Your application must be approved by the carrier before the coverage change goes into effect. Contact the Benefits Office to make changes to these plans.

For more information see the LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (July 2017) located at <https://benefits.llnl.gov/health-welfare/summary-plan>.

Dependent Eligibility

If an enrolled family member loses eligibility during the year, you are responsible for de-enrolling that family member. Don't wait until Open Enrollment. A child who turns 26 is automatically de-enrolled by LLNS (legal wards are de-enrolled at 18). You are responsible for costs incurred in connection with the enrollment of ineligible family members and you could be subject to penalties associated with the misuse of the plan if you continue coverage for family members who no longer meet LLNS eligibility rules. For more information see the LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (July 2017). Questions about eligibility should be directed to the Benefits Office at 925-422-9955.

If you are covering a dependent child whose eligibility requires tax dependency and tax dependency is lost at any time, promptly notify the Benefits Office at 925-422-9955.

MEDICAL, DENTAL, AND VISION CARE

Medical Benefit Choices

You are encouraged to evaluate your options to ensure that the choices you made for the current year still make sense for 2018. Plan rates are on page 8. A medical plan comparison chart to help facilitate a comparison of the plans begins on page 18. Plans available for 2018 include:

- Kaiser Permanente HDHP with HSA*
- Kaiser Permanente HMO*
- Anthem Blue Cross EPO
- Anthem Blue Cross Plus
- Anthem Blue Cross PPO
- Anthem Blue Cross HDHP with HSA
- Anthem Blue Cross Core Value with HSA

* California home or work location required

A New Kaiser Medical Plan Option

Effective January 1, 2018, a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) will be offered as an additional medical plan option under Kaiser. It will be a plan with deductibles and coinsurance instead of the typical copay design offered under a traditional HMO plan design. See the medical plan comparison chart on page 18 for more details.

Health Savings Account (HSA)

If you enroll in either the Anthem HDHP, Anthem Core Value, or Kaiser HDHP medical plan options, you will also be eligible for the HSA that accompanies these options.

LLNS will make contributions to the HSA on your behalf. In addition, you will be able to make before-tax* contributions to your HSA up to IRS limits. You can make your HSA before-tax contributions via payroll deduction or directly to your HSA on an after-tax basis and claim the amount on your tax return.

Please note that if you enroll in the Anthem HDHP, Anthem Core Value or Kaiser HDHP medical plan options, you will not be eligible for the Health Care Reimbursement Account (HCRA).

The HSA can be used to pay qualified medical, prescription, dental, and vision expenses. It can also be used to pay for qualified expenses for dependents not enrolled in a LLNS medical, dental, or vision plan as long as the dependent is a qualified dependent under IRS rules (IRC Section 152).

Please note that if you are enrolled in Medicare (Part A and/or B), you are not eligible for the HSA.

* HSA contributions are before-tax for federal income taxes and before-tax for state taxes in all states except in CA, AL, and NJ. Employer contributions made to your Health Saving Account (HSA) are required to be treated as taxable income in California and therefore will be reported as imputed income for state tax purposes. Employee contributions made to your HSA are currently required to be treated as post-tax contributions in California.

Mandatory Maintenance Prescription Mail Order Program

For Anthem Blue Cross plans, the mandatory mail order program for maintenance medications remains in effect in 2018. CVS/Caremark offers the Maintenance Choice program which allows you to fill a mandatory mail order drug at a local CVS pharmacy for the same cost as mail order. You can call CVS/Caremark Customer Service at 1-866-623-1438 with any questions you may have about their services. Please refer to the comparison charts beginning on page 18 for the cost to fill your prescription.

Access to Care Options

As a member of a LLNS medical plan, you have options for connecting with a doctor remotely for some common health concerns like colds, flu, fevers, and more. It's faster, easier and more convenient than going to the doctor's office. **If you experience a medical emergency, call 911 immediately.**

Kaiser: Members of Kaiser may contact their physician(s) by phone, email or video. Go to www.kp.org/llns for more information.

Anthem Blue Cross plans: Members of Anthem Blue Cross have access to a telemedicine option for non-emergency care via the web. Log on to <http://livehealthonline.com/> for information on registration and use of this option.

Mental Health and Substance Abuse Benefits

LLNS medical plans include mental health and substance abuse benefits as follows:

Kaiser: Kaiser members continue to access all mental health and substance abuse services through Kaiser physicians or facilities. Refer to the medical plan comparison chart for Kaiser mental health/substance abuse coverages.

Anthem Blue Cross plans: All mental health and substance abuse services are provided by Anthem Blue Cross. To ensure full coverage of your services, contact Anthem Blue Cross for authorization of your visits. Refer to the medical plan comparison chart for Anthem Blue Cross benefit details.

Dental Benefit Choices (LLNS Paid)

- Delta Dental PPO (nationwide)
- DeltaCare USA DMO (available only in California)

There are no dental plan design changes for 2018. A dental plan comparison spreadsheet is on page 23.

Please note there is a difference in the networks between these two plans. The Delta Dental PPO plan allows you to see any licensed dentist; the DeltaCare USA plan limits access to DeltaCare USA network dentists only. If you have elected DeltaCare USA, make sure your dentist participates in the network by calling DeltaCare USA at 1-800-422-4234.

For coverage details go to <https://benefits.llnl.gov/health-welfare/dental>

Vision Benefit

LLNS offers a comprehensive vision care benefit provided by Vision Service Plan (VSP). There are no plan design changes for 2018 for the LLNS paid Basic plan or the Vision Plan Plus.

LLNS continues to offer a buy-up option (Vision Plan Plus) for the vision plan. It is employee paid and provides enhanced benefits to the base plan. The base plan continues to be fully-paid by LLNS.

A comparison of the base plan benefit and the buy-up option can be found on page 22.

To speak with VSP Member Services directly, call 800-877-7195.

For coverage details go to <https://benefits.llnl.gov/health-welfare/vision>

Dual Coverage

If you and your spouse/domestic partner are both LLNS employees, one of you may cover the other as a dependent, or each of you may have separate coverage. However, only one of you may cover your children or the children of your domestic partner as dependents. You may change who covers the children during Open Enrollment.

HIPAA Special Enrollment Rights

(Health Insurance Portability and Accountability Act of 1996)

If you are declining enrollment in medical/vision/dental coverage for yourself or your eligible dependents (including your spouse, domestic partner, dependent children and domestic partner's dependent children) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in medical/vision/dental coverage if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption, or foster care, you may be able to enroll yourself and your dependents. Your special enrollment request must be made within 31 days after the marriage, birth, adoption, placement for adoption or foster care. Contact the Benefits Office at 925-422-9955 for more information.

Note: If you choose not to purchase the buy-up option, you (and your dependents) will still be covered under the 100% LLNS paid Basic plan.

LEGAL INSURANCE

Legal insurance is offered through ARAG and is **open to new enrollments** this Open Enrollment period. The legal plan will be enhanced beginning January 1, 2018 with the addition of a General Law Package. The following are some of the new services included:

- Child Custody/Child Support Agreement (Contested 8 hours)
- Elder Law
- Insurance Disputes
- Small Claims Court
- State and Local Tax Collection Defense

Legal Insurance (Monthly Rate)

Employee Only	\$12.28
Employee & Spouse/Domestic Partner	\$16.80
Employee & Child(ren)	\$16.80
Employee & Family	\$18.30

The legal insurance is open for new enrollments this Open Enrollment period.

For coverage details go to <https://benefits.llnl.gov/health-welfare/legal-insurance>.

LIFE INSURANCE

Life Insurance is offered through MetLife*. Changes to Life Insurance are not limited to Open Enrollment. To make changes to the Life Insurance plans outside of Open Enrollment, contact the Benefits Office at 925-422-9955.

*During the 2018 Open Enrollment period you may make changes using LAPIS.

Basic Life (LLNS paid)

There are no plan design changes for Basic Life Insurance in 2018. This coverage is equal to one times your base salary up to a maximum of \$400,000.

The IRS requires the value of employer-paid life insurance in excess of \$50,000 to be considered "imputed income." You have the option of waiving life insurance coverage over \$50,000 at any time. You can later increase your coverage to one times your base salary.

A worksheet to calculate the amount of your taxable (imputed) income is available on the Benefits web site at <https://benefits.llnl.gov/health-welfare/life-insurance>.

Supplemental Life

The rates for Supplemental Life are remaining the same for 2018 and are based on your age and base salary as of each pay period. Employees enrolling in Supplemental Life during their period of initial eligibility (PIE) will be guaranteed issue up to the lesser of 3 times their base salary or \$750,000.

For this open enrollment only, you have the opportunity to increase your life insurance coverage without a Statement of Health for the following:

Current Coverage	Can Increase To
None	\$20,000
\$20,000	1x base salary
1x base salary	2x base salary
2x base salary	3x base salary

Any increase more than one level above your current coverage or an increase above 3x base salary, a Statement of Health is required and subject to approval by the carrier and will be automatically mailed to your home. You can decrease your coverage at any time during the year. Contact the Benefits Office with questions or if you need additional information.

Dependent Life

Dependent Life insurance for spouses/domestic partners will now be offered in \$10,000 increments, up to \$200,000, and no longer require enrollment in employee Supplemental Life Insurance. A Statement of Health will still need to be approved by the carrier for new enrollments of \$10,000 or more, or increasing coverage above \$50,000.

To transition to this new plan design, your current spouse/domestic partner dependent coverage amount will be rounded up to the next \$10,000 increment, capped at \$200,000.

For this open enrollment only, you have the opportunity to increase your dependent's life insurance coverage without a Statement of Health for the following:

Current Coverage	Can Increase To
Spouse/Domestic Partner	
None	\$5,000
\$5,000 (Dependent Basic Life)	\$50,000
Child	
None	\$5,000
\$5,000 (Dependent Basic Life)	\$10,000

You can decrease your spouse/domestic partner dependent life insurance coverage at any time during the year. Contact the Benefits Office with questions or if you need additional information.

The amount of life insurance for your spouse/domestic partner cannot exceed the total amount of life insurance you have as an employee.

Employee Supplemental Life - life insurance employees can purchase in addition to the Basic Life automatically provide by LLNS.

Dependent Basic Life - \$5,000 of life insurance an employee can purchase for any eligible dependent (spouse/domestic partner and children).

Dependent Spouse/Domestic Partner Life - life insurance an employee can purchase for his/her spouse/domestic partner in increments of \$10,000 up to to \$200,000.

Child Life - \$10,000 of coverage an employee can purchase for any eligible child(ren).

There is no change in the monthly rates for 2018.

SUPPLEMENTAL DISABILITY INSURANCE

Supplemental Disability Insurance is offered through The Hartford. This insurance supplements the disability coverage available to you through California State Disability Insurance (SDI) and provides coverage to employees outside of California.

There are no plan design or rate changes for 2018. Cost for this coverage is based on your age and base salary as of each pay period. Changes to Supplemental Disability Insurance are not limited to Open Enrollment and are not part of the Open Enrollment Self Service process. To make changes to the Supplemental Disability Insurance plan contact the Benefits Office at 925-422-9955.

Effective January 1, 2018, California State Disability Income (SDI) and Paid Family Leave (PFL) benefits will increase, in general, to 60% or 70% of wages, subject to the maximum benefit amount (which is \$1,173/week in 2017). The change also eliminates the one week waiting period for PFL claims. Currently these changes are set to expire December 31, 2021. You may want to review your Supplemental Disability coverage given this increase in benefit.

FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Accounts (FSAs) allow you to put money aside on a before-tax basis—the Health Care Reimbursement Account (HCRA) for eligible health care expenses and the Dependent Care Reimbursement Account (DCRA) for eligible dependent day care expenses. Contributions are deducted from your paycheck on a pretax (tax-free) basis—before federal, state, and Social Security (FICA) taxes are taken out. Because your Social Security benefits are based on earnings, your participation in the FSA may reduce this benefit, depending on the amount you earn.

WageWorks, formerly ADP, is now the administrator for the LLNS Flexible Spending Accounts.

Any expenses for reimbursement with 2018 contributions must be incurred in that year. Paper claims for eligible expenses incurred January 1 – December 31, 2018 must be submitted for reimbursement by March 31, 2019.

If you want to make FSA contributions in 2018, you must enroll during Open Enrollment, even if you are contributing in 2017. After Open Enrollment, you cannot make changes to your contributions except under certain limited situations. For information about permissible election changes go to <https://benefits.llnl.gov/health-welfare/summary-plan> and see the LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (SPD), Section 7, "Making Changes to Your Elections." For specific questions regarding eligible FSA expenses, visit the WageWorks web site at www.spendingaccounts.info or see IRS Publications 502 and 503.

The access code for first time registrants on WageWorks web site is **LAWRENCEL-89503**.

For coverage details go to <https://benefits.llnl.gov/health-welfare/flexible-spending>

Health Care Reimbursement Account (HCRA)

The HCRA limit increases to \$2,600 for 2018. HCRA allows you to set aside earnings on a before-tax basis to pay for eligible out-of-pocket health care expenses you and your eligible tax dependents incur in 2018. The amount you contribute to your account will reduce your taxable income.

Examples of eligible health care expenses are:

- Deductibles, co-payments, and co-insurance amounts not paid by your medical, prescription, dental, or vision plans
- Over-the-counter drugs, if prescribed by a doctor, that are taken to alleviate or treat an injury or sickness
- Acupuncture not covered by your medical plan
- Orthodontia not covered by the dental plan
- Hearing aids

You and your dependents can pay for purchases directly from your HCRA account using a special debit card, reducing the number of claims you need to submit. The HCRA debit card works like a credit card, only funds are deducted from your HCRA account balance. If you are a new participant to the program for 2018, you will automatically receive a card when you enroll. If you have participated in 2017, keep your card as your 2018 annual election amount will be funded and added to the card effective January 1, 2018.

Remember that you forfeit any money you don't use so calculate your contributions carefully.

A calculator is available at www.spendingaccounts.info

Paper claims for eligible expenses incurred January 1 – December 31, 2018 must be submitted for reimbursement by March 31, 2019.

Dependent Care Reimbursement Account (DCRA)

DCRA allows you to set aside money on a before-tax basis to pay for dependent day care expenses incurred in 2018, due to your or your spouse's employment or student status. The maximum amount you can contribute is \$5,000 per year (per family) if you're filing with the IRS as married filing jointly or as head of household, or \$2,500 per year if you're filing as married filing separately. This plan may be used for dependent day care expenses for children under age 13 or for disabled family members who qualify under IRS rules. The care provider must have a federal taxpayer identification or U.S. Social Security number. The amount you contribute to your spending account will reduce your taxable income. You are reimbursed by submitting receipts for eligible expenses to WageWorks with a reimbursement form available at www.spendingaccounts.info.

Remember that you forfeit any money you don't use so calculate your contributions carefully.

Claims for eligible expenses incurred January 1 – December 31, 2018 must be submitted for reimbursement by March 31, 2019.

Depending on your personal income tax situation, you may get a greater tax savings with the Child Care Tax Credit than with DCRA. You may want to ask a tax advisor which alternative is best for you.

Keep your receipts for services paid with the WageWorks card as you may be asked to substantiate the expense to ensure it meets IRS requirements as an eligible item.

ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE (AD&D)

There are no AD&D plan design or rate changes in 2018. The plan provides worldwide coverage for you and your enrolled family members. For coverage details go to <https://benefits.llnl.gov/health-welfare/life-insurance>.

Changes to AD&D Insurance are not limited to Open Enrollment and are not part of the Open Enrollment Self Service process. **To make changes to AD&D coverage contact the Benefits Office at 925-422-9955.**

REQUIRED NOTICES

Notice of Availability of Notice of Privacy Practices

The LLNS Health and Welfare Benefit Plan for Employees (the "Plan") provides health benefits to eligible employees of Lawrence Livermore National Security, LLC (the "Company") and their eligible dependents as described in the Summary Plan Document for the Plan. The Plan creates, receives, uses, maintains and discloses health information about participating employees and dependents in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan's duties and privacy practices with respect to covered individuals' protected health information ("PHI"), and has done so by providing to Plan participants a notice of privacy practices, which describes the ways that the Plan uses and discloses PHI. To receive a copy of the Plan's notice of privacy practices, you can go to the LLNS Benefits web site <https://benefits.llnl.gov/> or contact the Benefits Office at 925-422-9955.

The Women's Health and Cancer Rights Act of 1998

The Women's Health and Cancer Rights Act of 1998 requires that if a group health plan provides medical and surgical benefits for mastectomies, it must also provide coverage for reconstructive surgery and prostheses following mastectomies.

The law mandates that a participant or beneficiary who is receiving benefits under the plan for a covered mastectomy, and who elects breast reconstruction in connection with the mastectomy, will also receive coverage for:

- Reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

This coverage will be provided in consultation with the patient and the patient's attending physician and will be subject to the same annual deductible, co-insurance and/or co-payment provisions otherwise applicable under the plans.

Important Notice from LLNS about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with LLNS and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if

you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. LLNS has determined that the prescription drug coverage offered by the LLNS Health and Welfare Plan is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. This may mean that you may have to wait to join a Medicare drug plan and that you may pay a higher premium (a penalty) if you join later. You may pay that higher premium (a penalty) as long as you have Medicare prescription drug coverage. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a sixty (60) day Special Enrollment Period (SEP) because you lost creditable coverage to join a Part D plan. In addition, if you lose or decide to leave employer sponsored coverage, you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period. You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

If you do decide to join a Medicare prescription drug plan and drop your LLNS medical coverage (which includes prescription drug coverage), be aware that you and your dependents may not be able to get this coverage back until the calendar year after the following Open Enrollment period. Remember, your current LLNS medical coverage pays for other health expenses, in addition to prescription drugs. Contact the LLNS Benefits Office by telephone at 925-422-9955 or by mail at Lawrence Livermore National Security, LLC, Benefits Office, 7000 East Avenue, L-640, Livermore, CA 94550 for more information about what happens to your coverage if you join a Medicare prescription drug plan.

You should also know that if you drop or lose your coverage with LLNS and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 consecutive days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium may go up at least 1% of

the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage:

Contact the LLNS Benefits Office by telephone at 925-422-9955 or by mail at Lawrence Livermore National Security, LLC, Benefits Office, 7000 East Avenue, L-640, Livermore, CA 94550 for further information. NOTE: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through LLNS changes. You also may request a copy.

For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For

information about this extra help visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

Patient Protection Disclosure Notice

Kaiser Permanente generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in their network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser at www.kp.org/llns or 1-800-464-4000. For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Kaiser Permanente or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Kaiser's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Kaiser at www.kp.org/llns or 1-800-464-4000.

The Anthem Blue Cross medical options do not require the designation of a primary care provider.
