LLNS Health and Welfare Plan
Dependent Eligibility Chart

Eligible Adults

The following are eligible adults under the Plan unless otherwise provided under the terms of a fully-insured Benefit Program:

- Your legal spouse as defined under applicable federal law; or
- Your domestic partner who meets the requirements in the LLNS Declaration of Domestic Partnership; or
- Your adult dependent relative, who was eligible for UC welfare benefits as of December 31, 2003, and who, as of October 1, 2007 is on a list of grandfathered Adult Dependent Relatives provided to LLNS by UC.

In addition to yourself, you may have only one eligible adult family member enrolled in your LLNS-sponsored Benefit Programs. For example, if you cover an adult dependent relative on your medical and dental Benefits Programs, you may not also enroll your spouse or domestic partner in any LLNS-sponsored Benefit Program.

Eligible Children

Children who meet the criteria below are eligible for medical, dental, vision, dependent life, AD&D and legal benefits. Note that your disabled child age 26 or older is still considered to be your eligible child and not an adult dependent.

You may enroll your domestic partner’s child even if you do not enroll your domestic partner; however, your domestic partner must meet the requirements in the LLNS Declaration of Domestic Partnership.

An employee whose dependent does not qualify for tax-free benefit coverage will be subject to “imputed” income on the value of the employer contributions for that dependent.
